ENERGY CONSERVATION DAY-2011

Paper Presentation Competition

Organized by
Placement and Training Office, University College of Engineering, Osmania University
and
New & Renewable Energy Development Corporation of A.P Ltd (NREDCAP),

RULES FOR PAPER PRESENTATION

General Rules:

- The competition is open to students of B.E/B.Tech of any degree/ any class in any recognized Engineering College of A.P.
- The paper must be written by the team consisting of one or two members

Teams and Nominations

Participation in the competition will be by teams comprising of two students each. Around 16 teams (one from each college) will be selected to participate in the final competition to be held in Hyderabad on 10th December 2011. The selection process will consist of two stages:

1. In the first stage, each college may conduct an internal paper presentation contest and select one team (of 2 students) to be nominated for the final competition. If an actual presentation is not possible due to any reason, the college may screen the papers through any other method and identify the team to be nominated.

2. The University College of Engineering, Osmania University will scrutinize all nominations and select around 16 teams for participation in the final competition to be held on 10th December 2011.

Paper Format:

- **Format of paper**: A4 size, Single side, Single space, **Font**: Arial 10, Max Pages=6 including figures, references etc.,
- **Soft Copy of Full length paper** to be submitted through email to energy.ouce@gmail.com on or before 8th December 2011 as per above in MS Word format.
- Selected teams for participation need to submit Two Hard copies of the Full length paper at the Venue on December 10th 2011 during Registration.
- Students must carry College ID card for participation in the event. Otherwise, registrations may not be considered.
Presentation:

- Each Team must formally make a presentation of their paper in Power Point Presentation on LCD Projector. No OHPs are provided for display of Transparencies. Presentations must not be longer than 10 minutes. Negative marks will be assigned to any presentation that violates the time boundary.
- A signal will be given at the beginning of the oral presentation.
- A warning signal will be given at the end of 8 minutes and a stop signal will be given at the end of the 10 minutes. The student contestant should cease speaking when the stop signal is given.
- Presentations may include multimedia (audio/video) within the time permitted.
- A 5-minute question and answer period will follow the presentation of the paper. Questions may be posed by judges or students attending the presentation.
- Each team should carry a hard copy of the presentation for its own reference. The paper will be judged on the basis of content, clarity, quality of presentation and adherence to the time limit.

REGISTRATION:

Send the completely filled Registration form through email to (energy.ouce@gmail.com) on or before 8th December, 2011.

The nominations should clearly state the Names, Class, Roll no’s of team members, their addresses, phone nos. and e-mail addresses.

Download the registration form from the website.
