Guidelines for Appointment of NTPC Chair Professor in the Department of Mining Engineering, UCE, OU

Osmania University, Hyderabad invites applications/nominations from Indian Nationals for the position of Chair Professors(NTPC Chair) created through an endowment by National Thermal Power Corporation Limited.

Osmania University (OU), established in 1917, is the seventh oldest in India, the third oldest in south India and the first to be established in the erstwhile princely state of Hyderabad. Throughout its existence of over Ten decades, it has shown remarkable progress and sustained an integrated development of all faculties. It has significantly contributed to the academic and economic development of not only the region but also of the Country. Its alumni have distinguished themselves nationally and internationally in various spheres of life and are spread far and wide around the world. Osmania University is re-accredited by the National Assessment and Accreditation Council (NAAC) Autonomous Institution of the University Grants Commission) as 'A+' Grade University.

The University College of Engineering (UCE) has the distinction of being the oldest and the biggest among the Engineering Colleges of the erstwhile State of Andhra Pradesh. Established in the year 1929. It was the 6th Engineering College to be established in the whole of British India. Today it is the biggest among the campus colleges of Osmania University. The College was declared autonomous by the University in 1994 and by UGC in 2010. The University's accreditation by NAAC with A+ grade and Category-I graded autonomy by UGC are applicable to the College. The institution has received ISO 9001:2015, 14001: 2015 and 50001: 2018 certification in 2023.

The Institute offers 8 Undergraduate (UG) programs and 19 Postgraduate (PG) programs in various specialisations. Bachelor of Engineering (B.E.) in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communications Engineering, Biomedical Engineering, Computer Science and Engineering, AIML and Mining Engineering. All UG and PG programs have been recognized by AICTE and all eligible programs have been accredited by the NBA. The Doctoral programs (Ph.D) are offered in various Departments. Apart from regular programs, the college offers in UG and PG programs for working professionals under the Continuing Engineering Education Program (CEEP).

National Thermal Power Corporation Limited (NTPC), is India's largest energy conglomerate. NTPC is committed to providing affordable and uninterrupted power through sustainable energy solutions and hence is planning to expanding its capacity from 76 GW to

NTPC

130 GW by 2032 to meet the country's growing demand for power. The expansion will create business opportunities for Micro, Small, and Medium Enterprises (MSMEs). NTPC's procurement value is expected to grow from ₹19,075 crore in 2024 to ₹32,500 crore by 2032. Activities of NTPC include - Generation of electricity, building hydro power plants, trade & distribution of electricity, coalmining, exploration of oil, generation of nuclear power, etc.

1) Qualification and Experience:

- a) Ph.D. or equivalent Mining Engineering with a very good academic record throughout. Minimum 10 years' experience out of which at least 5 years should be at the level of Associate Professor or equivalent post in industrial/R&D organization. Preference will be given to candidates, who have guided PhD scholars, carried out externally funded projects, published technical papers in reputed journals and developed new laboratories.

OR

- b) An outstanding Engineer/Technologist (B.E. or its equivalent in Mining Engineering) working in industry/Research for at least 30 years with established reputation and who has made significant contribution to industry.

2) Desirable Requirements:

- a) THREE papers in SCI/SSCI journals/International/National Conference
b) Contribution to student Affairs or Laboratory Development
c) Acquainted with the latest technologies advancement in the relevant area.
d) THREE externally funded projects in career
e) Two Ph.D students guided
f) One or more patents
g) Conducting Seminars/Symposia/Workshops

Note: The above Requirements are relaxable for candidates possessing significant industry/R&D experience.

3) Areas of specialization: Underground Mining/Opencast Mining

- (i) Various operations relating to planning and development, exploitation, etc. of coal/metals.

4) Who can apply?

- a) Persons from Industry/Academia/Research Institutes/Government Organizations who are in service or have superannuated.
b) Persons who are serving or supenuated as faculty in any NITs, IITs or other Govt. Academic Institutions of Mining Department.

5) Nature of Duties:

- i) Impart teaching, training and carry out other activities related to Research work;
ii) Assist NTPC R&D Department through actives involvement in lead research;
ii) R&D work in various types of Underground Coal Mining activities by NTPC.

- iv) All types of consultancy services related to Underground/Opencast mining activities by NTPC and other organizations.
- v) The applicant is expected to teach All Mining Engineering Subjects at UG and PG level and other related courses in addition to guiding B.Tech, PG and Ph.D level Projects (minimum work load of 12-14 hours/week).
- 6) **Nature of Appointment:** Tenure appointment initially for two years and extendable up to five years or up to the age of 70 years, whichever is earlier.
- 7) **Age:** At the time of appointment of Chair Professor should have a minimum of two years to serve before reaching the maximum age of 70 years.
- 8) **Remuneration:**
- Pay and other benefits:
- (a) The "NTPC Chair Professors" will be paid a **consolidated monthly salary of Rs. 1,50,000/- per month** and it will remain fixed during the entire tenure.
- 9) **Other Benefits**
- (a) Accommodation will be provided within Osmania University Campus, depending upon availability and as per entitlement. An amount of Rs. 15000/- (10% of monthly salary) will be deducted, if accommodation is provided in the Campus quarters.
- (b) The 'NTPC Chair Professors' will be entitled to avail medical facilities through Osmania University Campus Health Centre for self and spouse.
