

SRESA
SOCIETY FOR RELIABILITY AND SAFETY

First Announcement for "Call for Papers"

**SRESA's 7th National Conference on
RELIABILITY AND SAFETY (NCRS-2026)**

Theme: Reliability and Safety for Nation Building -
Engineering Excellence towards Atmanirbhar Bharat
Build by Us, Trusted by All

Jointly Organized by
Department of Mechanical Engineering, UCE(A), O.U. and
Defence Research & Development Organization (DRDO)
in Association with
Society for Reliability and Safety (SRESA)

10th & 11th December, 2026

Venue: College of Engineering, Osmania University
Hyderabad. Telangana.

SRESA'S 7th NATIONAL CONFERENCE

CHIEF PATRONS

Sr. Prof. Kumar Molugaram | **Shri. Samir V. Kamat**
Hon' ble Vice-Chancellor | Chairman, DRDO
Osmania University, Hyderabad. | Hyderabad.

SOCIETY FOR RELIABILITY AND SAFETY

SRESA's 7th National Conference on **RELIABILITY AND SAFETY** (NCRS-2026)

10th & 11th December, 2026

Call for Papers

Papers are invited from research & development, academic institutions on the following areas (but not restricted to) with applications in the defense, Industrial, and healthcare sector:

- Reliability and Maintainability Engineering
- Human factor modeling
- Life Cycle management
- Prognostics and Health Management
- Risk based engineering and management
- Use of AI driven reliability
- Fracture / fatigue risk assessment
- Reliability and safety in Aerospace, Defence, Nuclear and Industrial Applications
- Probabilistic safety assessment
- Nuclear safety and security
- Severe accident management
- Reliability estimation/prediction probabilistic modeling
- Physics of failure methods in electronics and electrical engineering
- Reliability centered maintenance
- Fault diagnosis and Condition Monitoring
- Assessment of NDT methods
- Advanced manufacturing and 3D printing
- Quality Assurance and Quality Management
- Safety Engineering
- Emerging techniques (AI/ML) their applications in safety and security
- Big Data and IoT Applications in Reliability and Maintenance
- Software Reliability

GUIDELINES FOR AUTHORS:

Follow springer Download template:

<https://share.google/RJlg9ClhQPRqFlfxt>

- The title must be Cambria bold font 14. Centre aligned text.
- Abstract should be written in cambria font 11. Restrict the content to one page, justified content with Normal margins to be used
