

Reshma Palreddy M.Sc, (PhD), TS-SET
Assistant Professor, Osmania University

Secunderabad, Telangana | +91 9052499330 | reshma.reddy860@gmail.com reshma.p@uceou.edu

Professional Summary

- Dedicated and accomplished Assistant Professor of Chemistry with 15 years of experience in teaching undergraduate and postgraduate students.
- Demonstrates strong expertise in core chemistry subjects, innovative pedagogical practices, and curriculum development.
- Experienced in guiding student projects, conducting research, organizing academic activities, and contributing to departmental growth.
- Committed to fostering scientific curiosity, critical thinking, and a collaborative learning environment.

Core Skills

- Organic Chemistry Expertise
- Laboratory Management & Safety
- Research & Data Analysis
- UV-Vis Spectrophotometry, NMR, IR.
- Scientific Writing & Publications
- Student Mentoring & Examination Management
- Curriculum & Academic Planning.

Experience:

- Worked as Junior lecturer at Narayana Junior college from 2009 to 2010
- Worked as assistant professor in swamy Ramananda Thirtha institute of Technology, Nalgonda from 2010-2012
- Working as an Assistant professor, University college of Engineering Osmania University 2012 – Present.

Education

- Pursuing PhD (Chemistry) – Anurag University
- M.Sc (Organic Chemistry) – Periyar University(TN), 2009

- B.Sc (BZC) – Nalgonda Degree College, 2007
- Intermediate (BiPC) – Nagarjuna Junior College, 2004
- SSC – Girls High School, 2002

Technical Skills

- NMR, IR, UV-Vis Spectrophotometry
- Molecular Docking & Computational Chemistry

Certifications

- Qualified APSET – 2024

Personal Details

- Date of Birth: 10th December 1987
- Languages: English, Telugu& Tamil.
- Nationality: Indian
